These Still Work!

- Think-pair-share
- Four Corners
- Tic-Tac-Toe
- Picabulary (students draw or act out the vocab term)
- Concept Cube
- [53 Ways to Check for Understanding](#)
- Roll the Dice

Create a diorama scene (or draw a scene) to complete a story. Write out an explanation for your scene using at least 4 vocabulary words.	Write a short scene or vignette using at least 5 of your vocabulary words in context.	Using at least 4 of your vocabulary words in context compose a chart, song or rap to perform for our class.
Create a list of at least two synonyms for 2 vocabulary words. Feel free to design as a web, noting any synonyms that overlap more than one word.	Create your own vocabulary test using at least 5 of your vocabulary words. It should be original and you will be graded based on the correct answers provided.	Create a definition poem for one of your words using at least 1 of the vocabulary words total.
Create a crossword puzzle for 5 of your vocabulary words. Make sure that you include the clues at the bottom. The clues must be creative and created by you (no using the definition verbatim).	Color or draw a picture and label it with at least 4 vocabulary words. Each word needs to be in a contextual phrase so we understand how it is being used to describe an aspect of the picture.	Create a simile for 2 of your vocabulary words with an illustration by you using at least one of the words.

Your Takeaway for Today – Menti.com
