The Value of Work-Based Learning: Positively Impacting Students

Presented by: Kristy Volesky

Value of Work-Based Learning

Getting Started with Work-Based Learning

- **Start With One Element** to Integrate into Courses
 - Examples: Speakers, Tours or Job Shadows
- District Team **Discussions** on **High-Impact Opportunities**
 - Evaluate local options for apprenticeships and internships
- **Gain support** from administrators and school board

Collaboration Matters

- Neighboring District Educators
- Internal Supports
- Non-Profit Partners
- Local Chamber of Commerce

Avoiding Educator Burnout

Focus On:

- Starting small
- Requesting time during day to support students/employers
- Brainstorming how to overcome barriers

The Impact You Can Make

You are a DREAM Sponsor:

- Mentor Students and Industry Partners
- Guide Students for Success
- Connect Colleagues to Real World Applications

You WILL make a **POSITIVE Ripple Effect!**
