

Bring Project Management Into Your Classroom

Materials for bringing project management processes and tools into your classroom are available through the generous support of the Project Management Institute Educational Foundation (PMIEF).

FREE Resources include:

Project Management

- Action Plan Template
- Framework Processes
- Framework Templates
- Glossary of Terms
- Tips for the Classroom
- Impact Video Links

How to access

1. Visit MBAResearch.org/ProjectManagement.
2. Click "Project Management Resources."
3. Complete the short survey to access the download link.
4. Download link and extract files.
